

NEW FORINT BANKNOTES

Ft Progress
and tradition

The Magyar Nemzeti Bank will issue new 1000 forint banknotes which will be available in circulation from 1 March 2018. The old 1000 forint note will remain legal tender until 31 October 2018.

NEW FORINT BANKNOTES

CHECK YOUR BANKNOTES EASILY!

TOUCH

There is a raised print of rough surface on the major printed elements of the banknote.

LOOK

When the banknote is held up to the light, the watermark image of King Mathias and the 1000 value number appear.

TILT

When tilted, the central raven motif on the front of the banknote changes from purple to green.
