The above hours of operation shall apply on re-arranged VIBER business days specified in the annual settlement calendar published on the MNB website. Should the MNB extend the VIBER operating hours, the closing of the MNB's client account management system and the end-of-day central bank processes shall be delayed by the time of the extension.

Upon changing the VIBER operating hours, the period open for the acceptance of requests related to the placement of O/N HUF deposits received within the scope of the standing facility, to collateralised loans and to the allocation of IG1 credit lines, ends 15 minutes after the closing of VIBER.

The time of the receipt of payment, settlement and account transfer orders shall be governed by the MNB's records; in the case of paper-based orders, this shall be the time shown on the time stamp.

Payment orders for execution dates later than submission – up to 7 calendar days at the most – are debited from the bank account by MNB on the designated date of execution.

⁵ In accordance with the 'Terms and conditions for the operations of the central bank in forint and currency markets'
<https://www.mnb.hu/monetaris-politika/a-monetaris-politikai-eszkozta/fedezetertekeles>

The MNB shall process payment orders submitted past the period/deadline indicated in the table, without indicating the date of execution on the next business day.

The MNB shall credit the amount of the payment orders – subject to the fulfilment of all other conditions prescribed – to the beneficiary customer's account on the same VIBER business day when it debits the payer's bank account. Exceptions to this include transfers to authorities, transfers based on warrants for payment and collection orders, which are credited to the beneficiary's account on the VIBER business day following the day of the debit entry.

** Depending on the closure of the MNB's client account management system.

II. FX orders and cross-border forint transactions

In the process of execution of payment orders (to or from an account managed by the MNB) for the purpose of the transaction exchange rate and the date of execution and receipt, Saturdays – when declared working days – shall not be recognised as business day.
