

What can we do if we get a suspect banknote?

Counterfeiting a banknote or a coin is a crime in Hungary. Accordingly accept counterfeit cash is not allowed here.

The Central Bank of Hungary doesn't give compensation for counterfeits.

If we get a suspect banknote or coin after all, we have to take it to a bank or post office for examination.

We can also get the suspect cash for the Central Bank of Hungary personally or by post. The counterfeit banknote examination is free.

If the banknote or coin is genuine after all, in case of HUF we get the price of the denomination for it, in case of foreign currency we get back the genuine banknote or coin if the experts of the Central Bank of Hungary qualify it genuine.

The Central Bank of Hungary analyses suspect forint banknotes and – coins, and foreign banknotes and –coins always free.
