

Effective from 29 June 2013

Act CCVIII of 2011

on the Magyar Nemzeti Bank

Pursuant to Article 41 of the Fundamental Law, the Parliament hereby adopts the following Act on the Magyar Nemzeti Bank, its primary objectives, basic tasks, institutional, organisational, personal and financial independence and its operations, with due respect to the requirements of an advanced market economy and for implementation of the Fundamental Law.

CHAPTER I

LEGAL STATUS, PRIMARY OBJECTIVE AND BASIC TASKS OF THE MAGYAR NEMZETI BANK

1. Legal status and primary objective of the Magyar Nemzeti Bank

Article 1

(1) The Magyar Nemzeti Bank (hereinafter referred to as the 'MNB') is a member of the European System of Central Banks.

(2) The MNB, and the members of its bodies shall be independent in carrying out their task and meeting their obligations conferred upon them by this Act, and shall neither seek nor take instructions from the Government, or the institutions, bodies or offices of the European Union, with the exception of the European Central Bank (hereinafter the 'ECB'), or from the governments of Member States or any other organisation or political party. The Government as well as all other institutions shall adhere to this principle and shall not attempt to influence the MNB and its bodies in the course of the performance of their tasks.

Article 2

The Governor of the MNB shall be obliged to provide oral and written reports to the Parliament.

Article 3

(1) The primary objective of the MNB shall be to achieve and maintain price stability.

(2) Without prejudice to its primary objective, the MNB shall support the economic policy of the Government using the monetary policy instruments at its disposal.

2. Basic and Other Tasks of the MNB

Article 4

(1) The MNB shall define and implement monetary policy.

(2) The MNB shall be entitled to issue banknotes and coins. Banknotes and coins - including commemorative banknotes and coins - issued by the MNB shall be legal tender of Hungary.

(3) The MNB shall hold and manage official foreign exchange and gold reserves in order to preserve the external stability of the economy.

(4) The MNB shall conduct foreign exchange operations in relation to the management of foreign exchange reserves and the implementation of exchange rate policy.

(5) Within the scope of its powers set out in Articles 19 and 20, the MNB shall:

a) oversee payment and securities settlement systems, this shall include overseeing the operations of the system and the operations of the organisations performing central counterparty activity, in

UNOFFICIAL TRANSLATION

order to ensure the sound and efficient operation of these systems and the smooth circulation of money,

b) within the scope of its powers set out in subsection a) and the legislative powers set out in Article 65, participate in the development of payment and securities settlement systems.

(6) The MNB shall collect and publish statistical information required for carrying out its tasks.

(7) In cooperation with other competent authorities, the MNB shall support the efficient development and conduct of policies relating to the prudential supervision of credit institutions and the stability of the financial intermediary system; for this purpose, it shall, in particular explore the business and economic risks to the financial intermediary system as a whole, promote the prevention of the development of systemic risks, and mitigate or eliminate the evolved systemic risks.

(8) Tasks of the MNB shall be defined by law. Such tasks of the MNB set out by law shall comply with the central banking tasks and responsibilities of the MNB, as defined by this Act.

(9) The MNB shall only perform other functions - in accordance with the provisions of legal regulations - without prejudice to the achievement of its primary objective and performance of its basic tasks.

(10) The MNB shall have the exclusive competence to perform the tasks set out in paragraphs (1) to (4) and in paragraph (5) subsection a).

CHAPTER II

DETAILED RULES OF THE TASKS OF THE MNB

3. Monetary Policy

Article 5

In order to achieve the primary objective defined in Article 3(1), the MNB shall influence the supply of and demand for money and credit, using the instruments set out in Article 7.

Article 6

Within the framework provided for by this Act, the MNB shall independently define monetary policy and the instruments for implementing such policy.

Article 7

As instruments of monetary policy, the MNB shall:

- a) accept deposits in relation to its account management activity, and provide credit against adequate collateral, subject to the restrictions set out in Article 15;
- b) buy and sell securities as well as acting as intermediary of securities in the spot and derivative markets within the framework of open market operations and repurchase agreements;
- c) issue securities;
- d) influence and set exchange rates and interest rates;
- e) discount (rediscount) securities;
- f) regulate minimum reserves; and
- g) use other central bank instruments.

4. Minimum Reserves

Article 8

(1) In a decree the Governor of the MNB may require financial institutions and investment enterprises to place reserves with the MNB, in proportion to their assets and off-balance sheet items (hereinafter 'reserve ratio').

UNOFFICIAL TRANSLATION

(2) The MNB may define different levels of reserve ratios for different types of liabilities, individual assets and off-balance sheet items of financial institutions and investment enterprises based on their different characteristics. Based on their different characteristics, the reserve ratios applicable to certain elements of the reserve fund may also differ. In such cases, the applicable levels of reserve ratios shall be aggregated.

(3) The MNB may pay interest on the minimum reserves deposited by the institutions defined in paragraph (1). Interest may be paid at different rates in accordance with the different types of reserve ratio elements and their different characteristics in the reserve ratio.

Article 9

(1) The Monetary Council shall decide on the level of the reserve ratio and the interest rate to be paid reserves. The Governor of the MNB shall declare the level of the reserve ratio and the interest to be paid on such reserves in a decree.

(2) The Governor of the MNB shall regulate in a decree the rules governing the calculation of minimum reserve, the method of allocation and deposition of reserves, and the rules applicable in the event of non-compliance with these regulations.

5. Exchange Rates

Article 10

(1) The MNB shall quote and publish the official exchange rates for the conversion of foreign currency into forint and forint into foreign currency.

(2) The Government in agreement with the MNB shall determine the exchange rate regime and all features thereof. Changes in the exchange rate system shall be made without prejudice to the primary objective of the MNB to achieve and maintain price stability.

(3) Within the framework of the exchange rate regime developed in accordance with paragraph (2), the MNB shall protect and influence exchange rates on domestic and foreign currency markets when necessary and possible.

(4) The Government and the MNB shall treat the exchange rate policy as a matter of common interest of the Member States of the European Union.

6. Base Rate

Article 11

The MNB shall determine the central bank base rate as the key interest rate. The Monetary Council shall decide on the level of the base rate. The Governor of the MNB shall declare the level of the base rate in a decree.

7. Tasks Related to the Identification and Management of Systemic Risks

Article 12

(1) The MNB shall identify business and economic risks threatening the system of financial intermediation as a whole, it shall help to prevent the development of systemic risks, and it shall help to mitigate or eliminate the evolved systemic risks.

(2) The MNB shall monitor the operation of the financial institutions of systemic importance. Within the scope of this task, MNB shall assess the liquidity position of the financial institutions of systemic importance. The information pertaining to the scope of the financial institutions of systemic importance as well as the methodology of defining the scope of these institutions is confidential.

UNOFFICIAL TRANSLATION

(3) Pursuant to the decision of the Monetary Council, the Governor of the MNB may issue a decree pursuant to Article 65(1) subsection l), in order to prevent the development of systemic risks or to reduce such risks.

(4) In the event that any circumstance arise in which the operation of a credit institution threatens the stability of the financial system, the MNB may extend an emergency loan to the credit institution, observing the prohibition on monetary financing set out in Article 15. The MNB may make the extension of such a loan subject to the performance of the actions by the Financial Supervisory Authority (hereinafter the 'FSA') or the performance of actions by the credit institution at the proposal of the FSA.

(5) The performance of MNB's task defined in paragraph (1) shall be without prejudice to the fulfilment of the tasks defined in Article 4(1), and the tasks stemming from MNB's membership in the European System of Central Banks.

Article 13

In urgent and exceptional cases jeopardising the stability of the financial system as a whole, and the smooth circulation of money, the MNB - at its full discretion - may provide a loan to the National Deposit Insurance Fund upon its request, observing the prohibition on monetary financing set out in Article 15, the maturity of such a loan may not be longer than three months.

8. Account Management by the MNB

Article 14

(1) The MNB shall manage:

- a) the single bank account of the Treasury; and
- b) the bank account of the Államadósság Kezelő Központ Zártkörűen Működő Részvénytársaság (Government Debt Management Agency Private Company Limited by Shares).

(2) The MNB shall pay interest on the current balance of the single bank account of the Treasury at market interest rate - but at a level that is not higher than the central bank base rate - to the central budget.

9. Relations with the Public Finances

Article 15

MNB may not extend overdraft facilities or any other type of credit facility to the public sector as defined in Article 123 of the Treaty on the Functioning of the European Union, and shall not purchase debt instruments directly from them with consideration of the provisions of Council Regulation (EC) No. 3603/93 of 13 December 1993 specifying definitions for the application of the prohibitions referred to in Articles 104 and 104b(1) of the Treaty.

Article 16

(1) The MNB shall allocate the exchange rate gain or loss incurred from the sale of its foreign currency receivables and liabilities at the official exchange rate in effect on the last day of the subject year to the forint exchange rate equalisation reserve.

(2) The MNB shall allocate to the foreign currency securities equalisation reserve the difference determined on the basis of the market valuation of receivables in foreign currency securities, following the re-entry of the opening balance.

(3) The forint exchange rate equalisation reserve and the foreign currency securities equalisation reserve, as specified in paragraphs (1) and (2), shall form a part of MNB's equity.

(4) In the event that - based on the available data - the balance of the sum of the equalisation reserves specified in paragraphs (1) and (2) is negative, and this negative balance exceeds the sum of the positive amount of the accumulated profit reserve and the balance sheet result, the central budget shall, by 31 March of the year following the subject year, make a direct cash disbursement to the accumulated profit reserve up to the level of negative balance that exceeds the positive sum of the accumulated profit reserve and the balance sheet result, i.e. in case of a negative balance of

UNOFFICIAL TRANSLATION

the profit reserve and the balance sheet result, up to the extent of the negative balance of the equalisation reserves, to be accounted for in the balance sheet in the subject year.

(5) In the event that, based on the definitive data and with due consideration of the cash disbursement specified in paragraph (4), the balance of the sum of the equalisation reserves specified in paragraphs (1) or (2) is negative, and this negative balance exceeds the sum of the accumulated profit reserve and the balance sheet result, the central budget shall make a direct cash disbursement to the accumulated profit reserve within eight days of the shareholder's receipt of the notification defined in Article 43(2), up to the level of the negative balance that exceeds the sum of the accumulated profit reserve and balance sheet profit. In the event that the cash disbursement specified in paragraph (4) exceeds the required cash disbursement determined on the basis of definitive data, the MNB shall reimburse the overpayment to the central budget from the accumulated profit reserve within eight days of the shareholder's receipt of the notification defined in Article 43(2). These items shall be recorded in the balance sheet of the year in which payments are affected.

Article 17

The MNB may act as an agent of the State on the securities market based on the mandate - or in respect of State-owned securities the authorisation - of the State, with the exception of shares.

Article 18

(1) Based on the mandate of the State, the MNB may participate in the State's foreign currency borrowing operations and in the issuance of its securities abroad, as well as in the performance of the tasks related to the management of the State's foreign receivables.

(2) The MNB may enter into forward and hedging transactions with the State or as an agent of the State under market conditions.

10. Payment Transactions and Oversight

Article 19

(1) The MNB shall designate the payment and securities settlement systems in accordance with the Act on Settlement finality in payment and securities settlement systems.

(2) The Governor of the MNB shall regulate the execution of payment orders within the scope of Article 65(2).

Article 20

(1) The licence of the MNB shall be required for the entry into force of the General Terms and Conditions and the internal regulations of the organisation operating the payment system, as well as for any amendments thereof.

(2) The MNB shall grant the licence under paragraph (1) if the General Terms and Conditions and the internal regulations comply with the Decree of the Governor of the MNB issued pursuant to the authorisation of this Act on the content and formal requirements for the General Terms and Conditions and internal regulations of the organisation operating the payment system.

(3) The organisation operating the payment system shall publish its General Terms and Conditions and any amendments thereto as licensed by the MNB, in a consolidated version on its website, at latest on the day of entry into force of the licence of the MNB.

(4) In the performance of its duties set out in Article 4 (5), the MNB shall carry out the functions deriving from the participation in the college pursuant to Article 18 of Regulation 648/2012 of the European Parliament and of the Council of 4 July 2012 on OTC derivatives, central counterparties and trade repositories (hereinafter Regulation).

(5) The MNB shall, in respect of the issues related to the efficient and reliable operation of the clearing system, act as a special authority in the procedure for the authorisation of the central counterparty pursuant to Article 14 (1) of the Regulation and for the extension of activities and services pursuant to Article 15 (1), as well as in the procedure for the approval of outsourcing pursuant to Article 35 and for the withdrawal of authorisation pursuant to Article 20. The MNB shall,

in respect of the issues related to the efficient and reliable operation of the clearing system, act as a special authority in the procedure for the annual review and risk evaluation of the central counterparty pursuant to Article 21 (1) and (3) of the Regulation and in the validation of models and parameters relating to margin requirements pursuant to Article 41 (2), as well as in the validation of stress testing models and parameters pursuant to Article 49 (1). Furthermore, the MNB shall, in respect of the issues related to the efficient and reliable operation of the clearing system, act as a special authority in the procedure for the approval of interoperability arrangements entered into by the central counterparty pursuant to Article 54 (1) of the Regulation.

20/A The MNB shall, as a competent authority pursuant to Article 10 of Regulation 260/2012/EU (14 March 2012) of the European Parliament and of the Council on establishing technical and business requirements for credit transfers and direct debits in euro and amending Regulation (EC) No 924/2009 (hereinafter Regulation 260/3012/EU of the European Parliament and of the Council), implement Regulation 260/3012/EU of the European Parliament and of the Council.

11. Central Bank Information System

Article 21

(1) In order to perform the tasks defined in Article 4(1)-(7) - including the compilation of statistics on monetary policy and the balance of payments and the related stock, as well as statistics related to portfolios, securities, financial accounts, financial stability, the circulation of money and the payment system - the MNB shall operate a central bank information system, for which the organisations and natural persons defined by law shall provide information not qualifying as personal data, as determined by the decree of the Governor of the MNB.

(2) In order to perform the tasks defined in Article 4(6), the MNB shall operate a statistical system as part of the central bank information system, for this purpose it shall be entitled to receive data not qualifying as personal data from a body of the official statistical service, in a manner suited for individual identification. Individual statistical data provided accordingly may be used solely for statistical purposes, and the central bank information system shall handle such data separately from other data. When handling statistical data within the central bank information system, the MNB shall take all necessary regulatory, technical and organisational measures to ensure the physical and logical security of individual statistical data. The MNB shall develop the professional content and methodology of the statistical information system operated as part of the central bank information system in agreement with the Central Statistical Office, having consulted the Minister responsible for public finances (hereinafter the 'Minister') and the FSA.

(3) Based on information available in the central bank information system, the MNB shall publish information relevant to the operation of the credit institution system and to the financial situation of the country, , and shall make such detailed data available to the Parliament, the Government, the central administrative bodies and the FSA upon their request. The MNB shall provide the available data in the central bank information system to the Central Statistical Office for statistical purposes upon its request, in a manner suited for individual identification.

(4) Unless otherwise provided by law, data may only be published in a form which precludes the possibility of identifying information pertaining to the individual parties providing the data.

(5) The Governor of the MNB may stipulate in a decree the scope of information to be provided to the central bank information system and the method and deadline for data submission thereof, in order to facilitate for the execution of the necessary research, analysis and the preparation of decision making required for the performance of the basic tasks of MNB, in such a manner that the organisations falling under the scope of the Act on Credit Institutions and Financial Enterprises (hereinafter 'Hpt. '), the Act on Capital Markets (hereinafter 'Tpt. ') and the Act on Investment Companies and Commodity Dealers, and on the Regulations Governing their Activities (hereinafter 'Bszt. '), the State tax authority, the pension insurance administrative body, the health insurance body, the Central Statistical Office, the Court of Registry, and - in respect of family support and disability benefits, social, child welfare, child protection and education benefits paid by the central budget - the Treasury shall irreversibly modify the personal data, tax secrets, banking secrets, securities secrets, insurance secrets, fund secrets and individual statistical data managed by them, which are to be provided to the central bank information system, in such a way which prevents the information being associated with the subjects of the data, in order to provide the MNB with information on organisations deprived of their confidential nature, or on natural persons deprived of

their personal nature. The Governor of the MNB shall designate the organisations providing information in a decree.

(6) The Governor of the MNB shall also be entitled to stipulate in a decree that the deprivation of information described in paragraph (5) of its confidential or personal nature shall be carried out in a way, that pieces of information shall be provided by applying an anonymous linking code, as specified pursuant to the encoding method individually provided for the organisation obliged to submit data pursuant to paragraph (5). After making the encoding method available and prior to the data submission, the MNB shall delete the encoding method.

(7) The MNB shall be entitled to request the information described in paragraph (5) from several different organisations with the anonymous linking code established on the basis of the same encoding method, and to interconnect such information. The interconnection may not extend to a database managed by the MNB.

(8) The party liable to provide information pursuant to paragraphs (5) and (6) shall be obliged to refuse to submit information if the data cannot be deprived of its confidential or personal nature. The party liable to provide information pursuant to paragraphs (5) and (6) shall notify the MNB of the refusal, including the reasons for such, within the deadline for submitting the information.

(9) The MNB shall establish the method for generating the anonymous linking code and the basis of the code generation as follows:

a) the code generation shall not be based on data identifying organisations or natural persons whose data the MNB is entitled to manage, and

b) the specific individual method of code generation shall contain unique elements selected at random.

(10) In the course of data submission under paragraphs (5) and (6), the organisation providing the information shall modify the data pertaining to the address of a natural person prior to the data submission in such a way that the relevant address cannot be ascertained more precisely than the local region.

(11) After the information has been provided, the MNB shall be obliged to reimburse the organisations providing information -based on a detailed statement of costs - for the justified costs incurred directly in connection with the generation of information pursuant to paragraphs (5) and (6).

(12) The party liable to provide information pursuant to paragraphs (5) and (6) shall not modify the method of code generation, and shall delete it immediately after generating the anonymous linking code, and shall immediately delete the anonymous linking code after the information has been provided.

(13) Following the interconnection, the MNB shall irreversibly remove the link between the anonymous linking code and the received data, and shall delete the anonymous linking code.

(14) For the purpose of this Article, anonymous linking code shall mean a series of characters generated by a method containing random elements of the data pertaining to and identifying natural persons or organisations, in relation to the same natural person or organisation, where the same data always generates the same series of characters , but as a result of which the data identifying the natural person or organisation cannot be restored from the generated series of characters.

(15) In the course of statistical activity pursuant to Article 4(6), usage for the purpose of improving statistical methodology and the production of analyses and statistical results shall qualify as usage for statistical purposes in the application of paragraph (2). Statistical results constitute aggregated data and indicators which characterise economic and social phenomena.

12. Central Bank Auditing

Article 22

(1) Central bank auditing includes compliance with:

a) the provisions of this Act;

b) the provisions of Hpt. relevant to the conditions for performing ancillary financial services under the licensing authority of the MNB or subject to notification requirements to the MNB;

c) the provisions of the Act on the Prevention and Combating of Money Laundering and the Financing of Terrorism relevant to organisations providing ancillary financial services under the supervisory competence of the MNB;

d) the provisions of the legal regulations of providing information to the central bank information system; and

e) Decrees of the Governor of the MNB;

f) Regulation 260/2012/EU of the European Parliament and of the Council

and with the implementation of the provisions of the MNB's resolutions and opinions provided as a special authority, and for the auditing of those entities performing outsourced activities pursuant to Tpt. and Hpt.

(2) Central bank auditing shall comprise the verification of data provided pursuant to the provisions of the legal regulations, and the auditing conducted by the MNB. Within the framework of central bank auditing, the MNB shall be entitled to request the submission of data, reports, balance sheets, documents and audit materials. The MNB shall continuously verify the data stemming from the data submission obligation; the client shall not be notified of such verification.

(3) If it becomes necessary to verify the authenticity or completeness of the examined documents, or to supplement the audit findings, the person conducting the central bank auditing shall be entitled to perform an on-site audit at natural persons and organisations within the scope of central bank auditing in order to establish authenticity and completeness. Except for in cases detailed in paragraph (6), the MNB shall keep minutes or simplified minutes of the on-site audit, which it shall forward to the audited organisation or person within 10 days of the on-site audit.

(4) The MNB shall provide the person conducting the on-site audit with a letter of mandate. The person conducting the on-site audit shall be obliged to present the letter of mandate at the start of the on-site audit, and to verify his/her personal identity.

(5) Except for in cases detailed in paragraph (6), the duration of central bank auditing may not exceed six months.

(6) In the course of the MNB verifying fulfilment of the provisions of decrees pursuant to Article 65(2) subsections a) and d) and paragraph (3), the duration of central bank auditing shall not exceed eight months. The MNB shall record the findings of the central bank audit in an inspection report by the end of the second month following the completion of the audit.

(7) The inspection report shall include:

- a) the subject matter of the audit;
- b) the findings and the supporting evidence;
- c) the assessment of the findings.

(8) The MNB shall disclose the inspection report to the audited organisation. The audited organisation may submit comments in writing on the inspection report within 15 days of its receipt. If this term would jeopardise the success of the measure, the MNB may also determine a shorter deadline, but not less than five days.

(9) The MNB shall make a decision within 45 days of receipt of the comments or in the lack of comments, the expiry of the deadline. In justified cases, this deadline may be extended on one occasion by a maximum of 30 days.

(10) The MNB shall notify the audited person or organisation in writing of the performance of an on-site audit, at least 15 days in advance, except if prior notification jeopardised the success of the audit.

(11) The MNB shall be entitled to conclude test transactions in the course of central bank auditing. An auditable transaction within the scope of the test transaction may not extend beyond the signing of the contract relevant to the object of the test transaction; and in the event of a test transaction directed at a payment order or the conversion of banknotes and coins, beyond the receipt of the converted banknotes and coins.

(12) The MNB may use contributing participants in the test transactions. The MNB shall provide the contributor with a letter of mandate. The contributor shall be subject to the professional secrecy obligation pursuant to Article 52.

(13) In case of a test transaction, the MNB employee performing the auditing or the contributor shall verify his/her auditing right upon completion of the test transaction. Upon verifying the right of auditing, the audited organisation and the person conducting the audit, or the contributor shall be obliged to reimburse any amount received in the course of the of the test transaction.

13. Common Provisions relating to the Administrative Proceedings of MNB

Article 23

Subject to the exceptions set out in this Act, the MNB shall act in accordance with the provisions of the Act on General rules of administrative proceedings and services in the course of:

- a) central bank auditing;

UNOFFICIAL TRANSLATION

- b) approval of the General Terms and Conditions and the internal regulations of the organisation operating the payment system, and of any amendments thereto;
- c) licensing of ancillary financial services within the scope of the MNB's authorisation pursuant to Hpt., and the withdrawal of such licenses;
- d) licences granted under the Act on settlement finality in payment and securities settlement systems, and the withdrawal of the licences;
- e) authorisation for the making and arranging for the production of imitations of legal tender in circulation in Hungary; and the banknotes and coins withdrawn from circulation by the MNB but convertible to legal tender.
- f) providing opinions as a special authority as defined by law.

Article 24

(1) In the proceedings conducted by the MNB, client shall mean any person or organisation,

- a) upon which the MNB may impose a right or an obligation,
- b) which is subject to central bank auditing by the MNB,
- c) which submits a request to the MNB in initiation of a licensing procedure,
- d) which is a subject of data contained in the records managed by the MNB.

(2) The MNB shall inform at their request the person or organisation initiating the *ex officio* licensing procedure exclusively of the launch and closure of the proceedings and the measures applied.

(3) Unless otherwise provided by law, the applicant shall pay an administrative fee in the proceedings opened upon request. The amount of the administrative fee, as well as the scope of reductions and exemptions related to the payment shall be determined by the Governor of the MNB in a decree.

(4) In the course of the administrative proceedings and services, the MNB may define the method of data supply in a different way compared to the rules of keeping contact electronically qualifying as a written statement defined in the Act on the General rules of administrative proceedings and services.

(5) The MNB may publish its decisions, in part or in whole, on its website or in any other manner.

(6) The MNB's decisions may not be appealed. The client may request a judicial review of MNB's resolutions and rulings subject to independent legal remedy of the Budapest Court of Public Administration and Labour, whereby the court shall pass judgment on the petition or request for review within 30 days in accordance with the specific provisions of the Act on civil procedures on administrative litigation.

(7) The proceedings may not be suspended upon the client's request.

(8) The administrative deadline in matters defined in Article 23 subsection d) shall not exceed three months.

(9) A notice requesting additional information shall be issued within fifteen days following the receipt of the request.

(10) In its procedures, the MNB may prohibit the continuation of a conduct in breach of law in a ruling until a decision has been adopted to terminate the proceedings, and may order termination of the breach if such a measure is deemed urgently necessary in order to perform its basic tasks defined in Article 4(1)-(7), where any delay may cause significant or irreparable damage. The MNB shall adopt such decision without delay.

(10a) In the proceedings of the MNB, central bank auditing shall not be performed on request of the client.

(11) For obligors keeping a payment account with the MNB, overdue claims for payments declared by a resolution shall be satisfied directly.

(12) The administrative deadline for the MNB to act as a special authority in the procedure for the authorisation of the activities of the clearing house, central securities depository or central counterparty pursuant to the Tpt. shall be 45 days. The administrative deadline to act as a special authority specified in Article 20 (5) shall be 30 days.

14. The Measures and Sanctions of MNB

Article 25

(1) If at the end of a central bank auditing the MNB establishes that the audited person, organisation, the executive of the organisation, or a person defined by the applicable respective legislation as an executive officer of such an organisation violates or fails to comply with the provisions of the legal regulations defined in Article 22(1), the resolutions of the MNB, or the internal regulations of the audited organisation, or complies with these provisions late or partially, the MNB shall impose the following measures against the audited person or organisation:

- a) call for compliance with the provisions in an accurate and timely manner;
- b) set a deadline for taking the necessary measures, and for terminating the disclosed breach of legal provisions and deficiencies;
- c) obligation for drafting and implementing an action plan, and if appropriate, to submit a report on the implementation thereof;
- d) propose the professional training of employees;
- e) call upon adopting General Rules, Conditions and Internal Regulations within an appropriate deadline, or upon the revision of such pursuant to specific criteria;
- f) require extraordinary or retrospective submission of data;
- g) oblige the organisation operating the payment system under the decrees issued pursuant to Article 65(3), and the organisation conducting clearing house activity, central depository and central counterparty activity, pursuant to Tpt., to enhance its risk management procedures, strategies and methods;
- h) order the destruction of imitations of legal tender in circulation produced without authorisation, or of banknotes and coins withdrawn from circulation by the MNB but convertible to legal tender;
- i) impose a fine;
- j) prohibit further issues of transferable vouchers,
- k) order the withdrawal from circulation of transferable vouchers,
- l) order the destruction of transferable vouchers,
- m) impose other measures prescribed by law.

(2) The MNB shall be entitled to impose measures repeatedly and collectively.

(3) If the organisation fails to terminate the infringement within the deadline determined by the MNB, the MNB shall call upon the executive of the organisation, or the person defined by the applicable respective legislation as an executive officer of such an organisation to comply with the legal regulations within a specified deadline.

(4) The MNB shall have regard for the following circumstances when imposing measures:

- a) the gravity of the infringement or negligence;
- b) the impact the action on the persons and organisations subject to the legal regulations specified in Article 22(1);
- c) the risk caused by the infringement or negligence, the extent of damage, and the willingness to mitigate the damage;
- d) cooperation with the MNB on the part of the persons responsible;
- e) whether the person affected by the measure acted in good or bad faith, and the pecuniary advantage obtained through the infringement or negligence;
- f) the concealment of data, facts and information on which the measure is based, or the intended concealment; and
- g) the recurrence and frequency of the infringement or negligence.

(5) No measures shall be imposed after three years from the time when the infringement or negligence came to the knowledge of the MNB, or after five years from the time it was committed.

(6) Within the deadlines specified in paragraph (5), a measure may also be imposed even if the natural person affected is no longer employed by the audited organisation or person at the time of taking such measures, if his/her mandate has ended or he/she is no longer engaged in performing the audited activities.

(7) If the Hungarian branch of a financial institution, payment institution or electronic money institution holding a licence in another Member State of the European Union, or the cross-border services provided in Hungary by a financial institution, payment institution or electronic money institution holding a licence in another Member State of the European Union breaches the provisions of the legal regulations defined in Article 22(1) or in the resolution of the MNB, the MNB shall call upon the branch or the financial institution, payment institution or electronic money institution to

terminate the situation contravening the regulations. If the branch, financial institution, payment institution or electronic money institution fails to comply with this request, the MNB shall notify the FSA. Pursuant to notification by the MNB, the FSA shall either notify the supervisory authority of the other Member State of the European Union of the situation contravening the law, or initiates that appropriate measures should be taken by the respective supervisory authority.

(8) The fine shall be payable to a designated account within 30 days after the resolution imposing a fine becomes legally binding.

(9) In the course of assessing the recurrence of an infringement or a negligence, the MNB shall be entitled to impose more severe measures in the course of central bank auditing, if it established legally-binding consequences within the last 1 year in the case of a breach of the obligation of data submission, or within the last 3 years of the established legally binding consequences in the case of a more severe offence with respect of
